**Home:** strada Moldovei nr 16, Iasi, Jud. Iasi , 700045 Iasi (Romania)

### ABOUT ME

I am a calculated and very well organized, proactive and priority-oriented person. During my time as a student, I had jobs that helped me develop my communication skills through interacting with customers. I am an empathetic, approachable person who likes to get involved in projects and push my boundaries by stepping out of my comfort zone. I like to read and learn something new every day that can help me in my professional development.

### WORK EXPERIENCE

#### Web developer

**Lead Software SRL** [ 15/03/2022 – 15/11/2022 ]

City: Iasi, Jud. Iasi | Country: Romania

I was directly involved in the development of the company's projects and implemented functionalities using web technologies such as HTML, CSS, PHP, MySQL, JavaScript and Laravel. In this position the main duties were:

1. configuring the necessary applications, testing and modifying programs;
2. designing logical schemes and diagrams for the structure of the project requirements;
3. designing and modifying the database structure;
4. preparation of the necessary user documentation;

## EDUCATION AND TRAINING

---

### Bachelor's degree: Computer Science

**University of Computer Science** [ 08/2018 – 06/2023 ]

Address: Strada General Henri Mathias Berthelot Nr. 16, 700259 Iasi (Romania) | Website: <https://www.info.uaic.ro/en/home-page-2/>

I learned the basics of programming in languages such as C++, Java, Python, web technologies such as HTML, CSS, PHP, JavaScript, as well as database programming such as MySQL. But I also learned the basics of server administration and the connection between client and server through the linux operating system (Ubuntu version) and I learned general notions of cyber security where I used Kali Linux.

### Baccalaureate degree

**High School "Al. I. Cuza." Iasi** [ 07/2012 – 06/2016 ]

Address: Strada Ion Creanga 37, 700317 Iasi (Romania) | Website: <https://www.alicuzaiasi.ro/>

I learned the basics of using the PC, especially the Microsoft Office package, but also in mathematics and the exact sciences.

## LANGUAGE SKILLS

---

**Mother tongue(s):** Romanian

**Other language(s):**
