## LANGUAGES

ROMANA - Native  
English - Intermediate

## EDUCATION

**Bachelor's degree: Computer Science**  
University of Computer Science  
[ 08/2018 – 06/2023 ]

I learned the basics of programming in languages such as C++, Java, Python, web technologies such as HTML, CSS, PHP, JavaScript, as well as database programming such as MySQL. But I also learned the basics of server administration and the connection between client and server through the linux operating system (Ubuntu version) and I learned general notions of cyber security where I used Kali Linux.

## SKILLS

Microsoft Office

Web Developer

Database

UI/UX

**Baccalaureate degree**  
High School "Al. I. Cuza" Iasi  
[ 07/2012 – 06/2016 ]

I learned the basics of using the PC, especially the Microsoft Office package, but also in mathematics and the exact sciences.
